

Bio Boost (Homeopathic)

Recommended Use:

- Immune support
- Colds and Influenza
- Fever with headache
- Lymphatic inflammation
- Respiratory tract infections
- Feeling of weakness/exhaustion
- Soreness in the muscles, bones and joints
- Inflammation and exudation of serous membranes

Bio Boost is a powerful homeopathic remedy that acts to increase the body's natural defenses against viral and bacterial infections. It works on the non-specific immune system, stimulates granulopoiesis and increases the phagocytic function of leukocytes. Bio Boost markedly increases the bactericidal activity of blood cells and has a beneficial effect on the complement properdin system (the system that participates in specific immune responses, has a role in tissue inflammation and phagocytosis, and neutralizes some viruses).

Echinacea is traditionally used to relieve symptoms of colds, and can be particularly useful in the treatment of or reduce duration of viral infections and recurrent infections of the respiratory and urinary tract systems. A further effect is to improve lymphatic drainage. It is also as an adjunct therapy in cases of allergic and rheumatic illnesses.

Clinical Pearls:

Clinical cases show Bio Boost is an excellent formula for cold and flus and for upper respiratory tract infections.

For best results, start taking Bio Boost as soon as the symptoms of the acute infection start to show in the form of fatigue, headaches, shivering, fever etc. It has shown rapid improvement of symptoms in viral infections when taken at the onset of symptoms. Bio Boost can also be used in conjunction with antibiotic therapy without any negative interaction.

Bio Boost is well absorbed by the mucosa membranes of the mouth.

Refer to cold and flu and immune support protocols for more details.

Ingredient:

Echinacea pallida
 Arnica montana
 Baptisia tinctoria
 Bryonia alba
 Cinchona officinalis
 Cuprum sulphuricum
 Eupatorium perfoliatum
 Ferrum phosphoricum
 Lachesis mutus
 Thuja occidentalis

Uses:

Cold, influenza, upper respiratory tract infection.
 Increases circulation.
 Severe febrile infections, general sepsis.
 Acute inflammation of respiratory organs.
 Fever, respiratory infection.
 Respiratory inflammation.
 Influenza and associated fever.
 Joint pain due to cold and flu.
 Inflammation of the skin and mucosa, swollen glands.
 Skin and mucosal conditions.

Medicinal Ingredients:

Each 50 ml contains:

Echinacea pallida D1	12.5 ml
Eupatorium perfoliatum D2	3.75 ml
Arnica montana D3	3.75 ml
Bryonia alba D3	3.75 ml
Cinchona officinalis D3	3.75 ml
Baptisia tinctoria D4	3.75 ml
Cuprum sulphuricum D4	3.75 ml
Thuja occidentalis D4	3.50 ml
Ferrum phosphoricum D8	4.50 ml
Lachesis mutus D8	3.75 ml
Lachesis mutus D15	3.75 ml

Non-Medicinal Ingredients:

Ethanol

Recommended Dosage: Adults: Take 20 drops three times a day or as directed by a health care practitioner.

Nestmann Pharma Recommended Dosage: Adults: Acutely, take 40 drops every four hours until signs of improvement, then take 20 drops three times daily or as directed by a health care practitioner.

Caution/Warnings: Do not use in individuals with known or suspected hypersensitivity to any of the ingredients or botanical composite. Do not take during pregnancy or breastfeeding.
